

SPECIAL OCCASION (DIVERSITY) EVENTS

We take great delight in helping corporations and hospitals promote special occasions. For special occasion events we do not only bring in pictures for a Picture Lady Gallery. We will bring in whatever adds to the culture of the special event.

Many of these seasonal items are to be found on our Friends and Family Five Dollar table where:

\$5.00

If you buy three items the fourth is free.

- Valentines Day is in February
We have romantic pictures to take your breath away. Then in addition we bring in collectible dolls. Our kissing dolls are very popular.
- Black History in January & February
Having spent my early years in Africa and having acquired some excellent sources of African Art, this becomes a very special event. Our pictures trace the history of Blacks in America, from the times of slavery, to the Cotton Picking in the South, to the Civil Rights Movement. The Black History is rich in color and rhythm. Among our unique and unusual products are shadow boxes, wood carvings, banana leaf pictures and batiks. See www.bestblackart.com

- St. Patrick comes to visit with us in March
Spring officially starts in March so we present a Spring Fling with many light and lovely pictures of Lilacs and Tulips and all the other flowers of spring. Then there is Easter, with Easter baskets and bunnies, Ash Wednesday and the Passover. But it is often Saint Patrick's Day that captures the American imagination.

- **Holidays in April**
Earth Day is a day that inspires awareness and appreciation for the Earth's Natural Environment. Officially it is celebrated on 22 April. It is celebrated by 175 nations world-wide. We illustrate what is good about our natural environment and feature the stories on the web and in our newsletters.

Volunteer Appreciation week is in April

Volunteers are very special people and they truly deserve recognition. We have pictures, and prizes and pins that acknowledge the volunteers.

With our Photo to Art-Work we can provide photographs of the volunteers or the Employees. These are in Crystex and look like an oil painting, and are very different from the stodgy framed photos one sees in most hospitals or corporations. We guarantee our Photo-to-Artwork for four years. We are also able to take your historical photographs and turn these into works of art.

- **Holidays in May**
Cinco de Mayo/Spanish Heritage in May
This is a show full of color, fun and lively music. If our event is combined with Mexican food from the Cafeteria it makes for a special celebration. We have many wonderful Spanish pictures, the favorite being Diego Rivera. We can also bring Pinatas, & Spanish Hats. Our preferred music is the flute music from the Andes.

Mothers' Day

Our theme for Mothers' Day is usually Home and Country. We have some exciting Cottage and Kitchen pictures. At this event we add jewelry, fragrance lamps, Bath &Body, and real leather purses at a fraction of what is charged in the department stores. The Photo to Artwork is the preferred gift. This is because it is so personal. See <http://www.picturelady.com/enlrgmt1.htm>

- **Holidays in June**
Juneteenth is very special. From its Texas origin in 1865, the observance of June 19th as the African American Emancipation Day has spread across the United States and beyond. There is still slavery in the world especially economic slavery, and we take a pride in disseminating a Human Rights message. Juneteenth commemorates African American freedom and also emphasizes education and achievement. It has a message not just for African Americans.

A White Daughter and a Black Slave playing together in a bygone era.

Fathers' Day

We bring the greatest Music, Old Cars, Motor Cycles, Old Airplanes and Golfing Pictures. A Father's Day Event includes tools, books, barbecue recipes, music and some great surprises. It is a very different event and is great where the majority of employees are men.

- Holidays in July

Fourth of July

This is for American Heritage. The event honors the military. Here you will also see pictures of the Great American Outdoors, American Indians, Cowboys, the Civil War, and other books and pamphlets that honor the great history of America. Our summer show embraces children with educational toys that enhance creativity in children.

- Holidays in August

August 1st is Sister's Day

Tuesday May 18th is Senior Citizen's Day.

We celebrate Asian Heritage at Picture Lady in August because of the rich Filipino fall festivities. This Asian event will also feature the Orient with fine and exquisite art and statuettes. We have wonderful pictures of the oceans and the islands with palm trees and beaches. You do not have to travel abroad, just come to a Picture Lady event! This is a very rich event.

August 1969 is also the official beginning of the Internet and it can spawn a very different show and celebration. You can request this technical show in August where we feature www.smallbusinessprosperity.com and Internet Marketing.

- Holidays in September

Even if you get to rest and hang out and have some fun on Labor Day, your children have to go back to school the very next day. In 2010 Grandparent's Day is on the 12th September. Hispanic Heritage begins in the middle of September and continues into October.

- October Holidays

This is Hunger Awareness Month and the Month of the Dinosaurs.

There is also Halloween with scary lamps and lots of scary five dollar items on the scary seasonal table.

- Thanksgiving and Christmas

November is Native American Heritage Month.

Our Thanksgiving centerpieces will enhance any Thanksgiving meal.

The Christmas boutique is very special. We have fairy pictures, dolls, angels, unusual jewelry and decorations that you will find nowhere else. We present a very different yet a very beautiful Christmas event that retains its aesthetic and religious value.
